EH-LS650B

DATASHEET / BROCHURE

EH-LS650B

Best for living-room cinema. 4K PRO-UHD ultra-short-throw smart laser TV with up to 120-inch display, Android TV and sound by YAMAHA.

Feel immersed in everything you watch or play with this stylish and affordable 4K PRO-UHD[1] projector which can produce up to a 120” image placed close to the wall. Bringing the screen to life, 3LCD technology achieves a display that is up to three times brighter than competitor products[2]. Ideal for gaming, with under 20ms[3] lag time.Android TV offers thousands of movies, shows and games from Google Play, Amazon Prime Video, YouTube and other favourite apps[4]. Built in speakers with sound by YAMAHA produce a stunning dynamic audio and 3D surround sound, which can be used with and without visual display. Simply select the visual display to mute, or you can connect via Bluetooth to use as a standalone speaker to play your favourite music.Looking for a long-term, hassle-free and affordable solution to replace your TV? With this model’s long-lasting laser light source, you’ll be able to enjoy entertainment for up to 10 years[5].With a high brightness of 3,600 lumens and contrast ratio of 2,500,000:1, this 4K PRO-UHD[1], HDR10 projector delivers lifelike content and defined shadow detail. Epson’s 3LCD technology means its projectors have up to three times brighter colours, than comparable 1-chip DLP projectors[2]. Our Epson Setting Assistant app, makes life even easier to set up your new projector, as you can align the image automatically, with just a click of a button.
